Hi Anna,

661 Newell is occupied by a dog groomer, no known EPA files.

For 155 Freedom Road, we are only interested in EPA documentation developed after February 2009. Hazardous and RCRA records likely.

Thank you for your help.

What specific records or type of records are you requesting on these addresses?

There is no link to 661 Newell, do you know of any EPA involvement at this address?

155 Freedom Rd, is listed on the Superfund Archive site, are you requesting records dealingn with hazardous or non-hazardous waste? It also has links to Air , water and RCRA programs.
